

# SWAL-SHARING WORKING ALGORITHMS FOR URBAN/RURAL WASTE COLLECTION

101089517 — SWAL — CERV-2022-CITIZENS-TOWN

CERV, network of towns

## AIM OF THE PROJECT

The main goal of the project proposal is the cooperation and intensive exchange of good practices in the process of waste management. Research and analysis of the policies implemented by the municipalities and the city governments in the field of garbage collection and processing as a basis for achieving the goals of the green economy.
